INDEPENDENT AUDITOR'S REPORT

To the Members of
Core 4 Engineers Limited
(Formerly known as Core 4 Engineers Private Limited)

Report on the Audit of the Financial Statements

Opinion

1. We have audited the accompanying financial statements of **Core 4 Engineers Limited** (the **"Company"**), which comprise the Balance Sheet **as at 31st March, 2026,** the Statement of Profit and Loss, the Statement of cashflows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information. (Hereinafter referred to as the **"Financial statements"**).

2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements for the year ended 31st March, 2026 give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at 31st March, 2026, and its profit, and its cash flows, for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Information Other than the Financial Statements and Auditor's Report Thereon

4. The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Board's Report along with Annexures, but does not include the financial statements and our auditor's report thereon. The board of director's report is expected to be made available to us after the date of this auditor's report.

5. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

6. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

   If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those charged with Governance for the Financial Statements:

7. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements:

10. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

    i. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

    ii. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

    iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

    iv. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

v. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

12. Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements:

16. As required by the **Companies (Auditor's Report) Order, 2020 ("the Order"),** issued by the Central Government of India in terms of sub section (11) of section 143 of the Companies Act, 2013, we give in "**Annexure - A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

17. As required by Section 143(3) of the Act, we report that:

i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

ii. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

iii. The Balance Sheet, the Statement of Profit and Loss, the Statement of Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.

iv. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.

v. On the basis of written representations received from the directors as on 31st March 2026 taken on record by the board of directors, none of the directors are disqualified as on 31st March 2026 from being appointed as directors in terms of section 164(2) of the Act.

vi. With respect to the adequacy of the **internal financial controls** over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B".**

vii. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

viii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

a) Company has disclosed the impact of pending litigations on its financial position in the financial statements.

b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ix. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner

Chartered Accountants

whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

x. The Company did not declare or paid any dividend during the year.

xi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended 31 March 2026, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF CORE4 ENGINEERS LIMITED FOR THE YEAR ENDED 31st MARCH 2026

(Referred to in paragraph 17 under 'Report on Other Legal and Regulatory Requirements' section of our report)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Core4 Engineers Limited** (the "**Company**") as of **March 31, 2026** in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The

procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A Company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
(3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note: 29 Company Overview & Significant Accounting Policies

I Company Overview

The Company is a Limited Company having CIN:U45309KA2022PLC157463 was converted from a Partnership firm into a Company on 03-02-2022 under the provisions of the Companies Act 2013, and having its registered office at No.12, 1st Floor, Near Ramana Mandira Gynana Kendra, Next to New court, 'K' Block, Kuvempunagar, Mysore, Karnataka, India, 570023

Partnership firm continues to function for the limited purpose of completing ongoing projects initiated before conversion.

The Company engaged in business of the company is presently engaged in offering its EPC services to Indian Railways, which is undergoing a massive development phase expected to continue for a minimum of 10 years. CORE4 also possesses expertise in water and wastewater treatment technology, emphasizing zero liquid discharge. The company is competent in carrying out Extra High Voltage (220KV/110KV/66KV/27KV/11KV) transmission and distribution work. Currently, it is executing projects for Karnataka State Power Transmission Company (KPTCL), Karnataka Urban Water Supply and Drainage Board (KUWSDB) and private manufacturing companies such as Kayens Technologies Ltd. Additionally, CORE4 has integrated manufacturing facilities for the design, construction and manufacture of HT/LT distribution panels, compact substations and SCADA-based automation panels. This capacity is a key factor enabling the company to deliver its HT/LT distribution project services in a faster and more reliable manner, ensuring time-bound execution. All panels are type-tested by the Central Power Research Institute (CPRI).

II Significant Accounting Policies

1 Basis of preparation:

The Financial Statements have been prepared in accordance with Indian Generally Accepted Accounting Principles (IGAAP) under historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards prescribed by the Companies (Accounting Standards) Rules, 2021.

2 Revenue recognition:

a) Sale of Goods

Revenue from sale of goods is recognized when the Company has transferred to the buyer the property in the goods for a price or all significant risks and rewards of ownership have been transferred to the buyer and the Company retains no effective control of the goods transferred to a degree usually associated with ownership; and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods.

b) Sale of services:

Revenue from service transactions is usually recognised as the service is performed by the proportionate completion method.The revenue recognised under this method would be determined on the basis of contract value, associated costs, number of acts or other suitable basis. For practical purposes, when services are provided by an indeterminate number of acts over a specific period of time, revenue is recognised on a straight line basis over the specific period. Such performance should be regarded as being achieved when no significant uncertainty exists regarding the amount of the consideration that will be derived from rendering the service.

(i) Deferred revenue - Deferred revenue represents amounts received or invoiced in advance from the customers. These amounts are recorded as a contract liability until the corresponding services are rendered. The Company assesses its performance obligations under each contract to determine the appropriate timing of revenue recognition. Revenue is subsequently recognized when the billed services is transferred to the customer, which may occur over time or at a point in time, depending on the nature of the arrangement.

c) Other Income

Revenue arising from the use by others of enterprise resources yielding interest, royalties and dividends should only be recognised when no significant uncertainty as to measurability or collectability exists. These revenues are recognised on the following bases:

(i) Interest : on a time proportion basis taking into account the amount outstanding and the rate applicable.

3 Property Plant and Equipment including intangible assets:

Property Plant and Equipment's are stated at cost, less accumulated depreciation. Cost includes cost of acquisition including material cost, freight, installation cost, duties and taxes, and other incidental expenses, incurred up to the installation stage, related to such acquisition. Intangible assets that are acquired by the Company are measured initially at cost. After initial recognition, an intangible asset is carried at its cost less any accumulated amortisation and any accumulated impairment loss.

4 Depreciation & Amortisation:

The Company has applied the estimated useful lives as specified in Schedule II of the Companies Act 2013 and calculated the depreciation as per the Written Down Value (WDV) method. Depreciation on new assets acquired during the year is provided at the rates applicable from the date of acquisition to the end of the financial year. In respect of the assets sold during the year, depreciation is provided from the beginning of the year till the date of its disposal.

Useful life of Property, Plant and Equipment's

Category	Useful life - New	Useful life - Old
Plant And Machinery	15 years	15 years
Furniture and Fittings	10 years	10 years
Office Equipment	5 years	10 years
Computer and Accessories	3 years	3 years
Electrical Equipment	10 years	15 years

5 Impairment of assets:

The Management periodically assesses using, external and internal sources, whether there is an indication that an asset may be impaired. An impairment loss is recognised wherever the carrying value of an asset exceeds its recoverable amount. The recoverable amount is higher of the asset's net selling price and value in use, which means the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. Reversal of impairment loss is recognised immediately as income in the profit and loss account.

6 Inventories:

Inventories includes raw material, semi finished goods, stock-in-trade, finished goods, stores & spares, consumables, packing materials, goods for resale and commercial premises are valued at lower of cost and net realizable value. Materials in transit is valued at cost incurred till date.

Finished/Semi-Finished Goods - cost includes cost of direct material, labour, other direct cost (Including variable costs) and a proportion of fixed manufacturing overheads allocated based on the normal operating capacity but excluding borrowing costs. Cost is determined on weighted average cost basis.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and the estimated costs necessary to make the sale.

Adequate allowance is made for obsolete and slow-moving items.

7 Use of estimates:

The preparation of the financial statements in conformity with Generally Accepted Accounting Principles requires the Management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent assets and liabilities as at the date of the financial statements and the reported amounts of income and expenses during the year.

8 Employee Benefits:

A. Short - term employee benefits:

Leave encashment:

The leave encashment liability upon retirement would not arise as the accumulated leave is reimbursed every year and accounted at actual.

B. Post-Employment benefits:

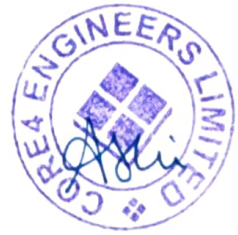

Defined benefit plan:

Gratuity liability is a defined benefit obligation and is unfunded. The Company accounts for liability for future gratuity benefits based on the actuarial valuation using Projected Unit Credit Method carried out as at the end of each financial year.

Defined contribution Plan:

Provident Fund: Eligible employees receive benefit from provident fund covered under the Provident Fund Act. Both the employee and the company make monthly contributions. The employer contribution is charged off to Profit & Loss Account as an expense.

9 Taxes on Income:

Income Tax expense is accounted for in accordance with AS-22 "Accounting for Taxes on Income" for both Current Tax and Deferred Tax stated below:

A. Current Tax:

Provision for current tax is made in accordance with the provisions of the Income Tax Act, 1961.

B. Deferred Tax:

Deferred tax is recognised, subject to the consideration of prudence, as the tax effect of timing difference between the taxable income and accounting income computed for the current accounting year using the tax rates and tax laws that have been enacted or substantially enacted by the balance sheet date.

Deferred tax assets are recognised and carried forward to the extent that there is a reasonable certainty, except arising from unabsorbed depreciation and carried forward losses, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

10 Provisions and Contingent Liabilities:

A provision is recognised if, as a result of past event, the Company has a present legal obligation that can be estimated reliably and it is probable that an outflow of economic benefit will be required to settle the obligation. Provisions are determined by the best estimate of outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

11 Earnings Per Share:

Basic Earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The diluted potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value which is the average market value of the outstanding shares. Dilutive potential equity shares are deemed converted as at the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

12 Cash and Cash Equivalents:

Cash and cash equivalents comprise cash on hand and Cheque in hand, balance with bank, demand deposits with banks and other short term highly liquid investments that are readily convertible to known amounts of cash & which are subject to an insignificant risk of changes in value where it has a short maturity of three months or less from the date of acquisition.

13 Cash Flow Statement:

Cash flows are reported using indirect method, whereby net profit/loss before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

The Company's cash and cash equivalents consist of cash on hand and in banks and demand deposits with banks, which can be withdrawn at any time, without prior notice or penalty on the principal. For the purposes of the statement of cash flows, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand and are considered part of the Company's cash management system. In the balance sheet, bank overdrafts are presented under borrowings within current liabilities.

14 Investments:

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

15 Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.
